

New Testament In A Year ...

Join your Lakeside family in this New Testament reading plan. Follow along each weekday of 2024 with readings and on weekends you get days to REST and REFLECT. REST days are meant to give you space to breathe and rest in God's love. REFLECT days allow time to let the word dwell in you richly (Colossians 3:16) by spending time in prayer or thinking through the implications of the text and the Sunday message.

As you read consider trying the following:

- *Underline or highlight keywords or phrases*
- *Circle words or phrases that you want to read more about*
- *Journal thoughts, reflections, or prayers*
- *Imagine yourself as a character in the story*
- *Read the chapter in different translations*
- *Ask, what does this tell me about God?*
- *Ask, what does this tell me about people?*
- *Ask, how can I respond to this reading?*
